ADDENDUM NO. 1

Date of Addendum: March 2, 2022

BROWN RD/CR K... OPWC DEY08
PROJECT #1-2022 VOM
BID DATE: MARCH 9, 2022

TO ALL BIDDERS:

The Following Changes Have Been Made To The Bidding Documents:

BIF FORM:

- K-Tech NT Trackless Tack is an approved option for Bid Item 14 and any other Tack Work.

ADDITIONAL INFORMATION/REQUIREMENTS

- Williams County wishes to retain ownership of 50% of the RAP Millings from County Road K & 13 and that the RAP be delivered to the site below.
- **Site 1 – 11720 CR 17 (Parking Lot for Rails to Trails)** should receive approximately 50% of the total Millings from Bid Item 7 and Bid Item 8.
- Williams County will have a loader and manpower on site as it is utilized to pile *the material*. The Engineer will work closely with the Contractor to ensure the site is kept orderly and to minimize the time needed to dump as well as monitor the actual available capacity of the site to handle the anticipated footprint needed for the process.
- Williams County believes the site is adequate to handle the proposed volume of material.
- We would like to draw attention to the tight window for completion on this project, the possibility of liquated damages, the testing, and other requirements. Please see item **00130 Special Notice to Bidders**.

On line documents will be revised at: <http://www.wmscoengineer.com/bidprojects.asp>
and changes will be sent to plan holders via email.

Please advise this office if you have questions concerning these changes.
