ADDENDUM NO. 1

Date of Addendum: May 1, 2020

2020 County Road J and Spot Paving

Project #5-2020

Bid Date: May 7, 2020

TO ALL BIDDERS:

The Following Changes Have Been Made To The Bidding Documents:

BID FORM:

- Asterisk has been removed from SS823 description.
- Tack coat should be included in the asphalt cost for Items 13a, 13b, 14a, 15a, 16a, and 17a.
- K-Tech NT Trackless Tack is an approved option for Bid Item 5 and any other Tack Work.
- Item 17a, wording "As Per Plan" is removed from the bid form.
- Item 17a, quantity has been increased. Increased quantity will be used for scratch paving in specific areas as directed by the Township on Sunrise Drive.
- Additional Item: Item 13a will cover a scratch course and 13b will cover a surface course on CR A.
- Estimate contains 10% contingency and will be revised to reflect changes on CR A and Sunrise Lane. Revised project estimate is: \$1,428,344.00

ADDITIONAL INFORMATION/REQUIREMENTS

- Williams County will fill potholes as required prior to spot paving (CR A in definite need)
- Williams County wishes to retain ownership of the RAP Millings from County Road J and that the RAP be delivered to two separate sites.
- **Site 1 - 03078 CR N.30 (Lot at N.30 & SR 49)** should receive approximately 60% of the total Millings from Bid Item 1 and Bid Item 2 and 100% of the Millings from Bid Item 3.
- **Site 2 - 12953 CR G (Williams County Garage @ CR G & CR 13)** should receive approximately 40% of the total Millings from Bid Item 1 and Bid Item 2.
- Williams County will have a loader and manpower on each site as it is utilized to pile the material. The Engineer will work closely with the Contractor to ensure the site is kept orderly and to minimize the time needed to dump as well as monitor the actual available capacity of the site to handle the anticipated footprint needed for the process.
- Williams County believes the sites are adequate to handle the proposed volume of material.
