

**REQUEST FOR PROPOSALS
COATINGS INSPECTOR
PROPOSAL #3-2018
WIL-CR 202-2.18 BRIDGE REHABILITATION 03200 CR 20
PID 103664**

The Williams County Engineer (the “Engineer”) is accepting Statements of Proposal (RFP) from firms and/or prequalified individuals for professional inspection services for a Coatings Inspector – Quality Control Specialist as defined and specified in the Ohio Department of Transportation Construction and Materials Specifications 2016, (CMS 16, 514.04_A.)

Project Description: The project involves removal and replacement of the existing concrete bridge deck and the blasting and recoating of the existing beams and steel under the bridge deck. The project is proposed for the 2018 construction season and is required to be substantially complete on October 1, 2018

Required Qualifications: Inspector must be NACE or SSPC certified and must be pre-qualified by ODOT. Documentation of certifications will be required. Firm or individual must have prior experience with projects of similar nature.

Deadline: Proposals must be received by 2 PM local time on March 23, 2018.

Interested firms or individuals should email John Waterston at jwaterston@wmscoengineer.com for further information and to receive full RFP materials.

The RFP documents as well as the Bridge Project Bidding Documents are posted on the Williams County Engineer’s Web Page at:
