LEGAL NOTICE

PROPOSAL #2-2020 REQUEST FOR SEASONAL PRICING PROPOSAL FOR VARIOUS STONE AND SAND PRODUCTS

The Williams County Engineer will receive quotations in his office at 12953 County Road G, Bryan Ohio via, Drop Off, U.S. Mail, Facsimile 419-636-8687 or Email: troth@wmscoengineer.com, until 4:30 P.M. Local Time on Monday, February 3, 2020 for Stone and Sand Products for use by the Williams County Highway Department.

Complete sets of the Proposal will be available for examination, Monday through Friday from 8:30 a. m. to 4:30 p. m. at the above-named office. Copies may be obtained by request from the Williams County Engineer, 12953 County Road G, Bryan, Ohio 43506, 419-636-2454 Ext. 36 or on the engineer's web site <http://www.wmscoengineer.com/bidprojects.asp> .

Pricing Proposals must be submitted on the forms found in the Proposal Document and must contain the names of every person or company interested therein. Firms who submit proposals for materials delivered to County facilities are required to provide evidence of liability and workman's compensation coverage.

The Engineer intends that the materials in this proposal will be for use throughout the 2020 construction season.

The Engineer reserves the right to reject any or all proposals, waive irregularities in any proposal, and to accept any pricing proposal, or portions thereof, which are deemed most favorable to the County.

WILLIAMS COUNTY ENGINEER
Todd J. Roth, P.E., P.S.

REQUEST FOR PROPOSALS

2020 Stone and Sand Products

PART 1 GENERAL

1.01 Work Included, But Not Limited To

- A. **Provide Customer Purchase pricing for various quantities of Stone and Sand Products** at a specific supplier quarry, stockpile, or business location as listed on the proposal form for customer pick up.
- B. **Delivered Price to Customer various quantities of Stone and Sand Products** at customer's stockpile, 12953 CR G, Bryan, Ohio 43506.
- C. **MSDS Sheets, Gradation Analysis**, to be supplied as requested by the Engineer or as specified on the Proposal Form.

1.02 Quality Assurance

- A. Prior to purchase the Engineer may require samples of specified materials.
- B. Items noted as Chip Seal Stone (Bid Items: 1,2,3,11, 12, 13, 21, 22, 23) shall conform to ODOT CMS 703.05. The Engineer reserves the right to reject loads that are non-conforming, including but not limited to: mud balls, oversized aggregate, foreign matter, excessive dust and fine material, or other materials that impede chip seal operations.
- C. Items 6, 7, 16, 17, 26, 27 shall conform to ODOT CMS 703.05 as well as the Gradation Specification listed below. The Engineer reserves the right to reject loads that are non-conforming, including but not limited to: mud balls, oversized aggregate, foreign matter, excessive dust and fine material, or other materials that impede chip seal operations.

	Gradation Specification	
	No. 8A	No. 9A
1/2"	100	----
3/8"	85-100	100
#4	0-15	85-100
#8	0-5	0-20
#16	0-2	0-5
#50	----	0-2

REQUEST FOR PROPOSALS

2020 Stone and Sand Products

- D. The Engineer will consider or equal products for all of those listed in the Proposal.
- E. The Engineer will make the final determination as to “or equal, or equivalent” status of any products submitted in this proposal.

1.03 Time Periods

- A. The **Engineer** will evaluate each proposal on or after February 3, 2020. Proposals will be accepted until 4:30 P.M. on February 3, 2020
- B. Stone and Sand Products will be purchased for the 2020 Construction Season.
- C. Proposals should be signed, dated, and forwarded to:

Mr. Todd Roth
Williams County Engineer
12953 County Road G
Bryan, Ohio 43506
Fax 419-636-8687
troth@wmscoengineer.com

PART 2 PRODUCTS

2.01 Delivery, Handling, and Storage

- A. Unless otherwise specified in the individual Items, the Engineer will purchase materials from the Suppliers Location as listed on the proposal form.
- B. For materials specified to be delivered the Engineer will purchase materials delivered based on weight tickets supplied at the time of delivery.
- C. Suppliers who are chosen to deliver materials to the CR G, or ‘Other County’ location shall provide a certificate of liability insurance and a certification of workman’s compensation coverage for employees and equipment used for delivery.
- D. There are no Estimated Quantities of Purchase for the materials listed on the Proposal Form.
- E. The Engineer understands that delivery to an alternate “County” location may result in a price increase, and assumes that delivery to an alternate “County” location could result in decrease in price if that location is closer to the shipping point.

Proposal Form To Follow This Document.
