Applicant Information:

Application Date: _____

Applicant's Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Telephone No. _____

INSPECTION REQUIRED

Location of Activity Proposed:

Name of Road _____ Activity is on which side: North South East West

Between Road _____ & Road _____

Description of Activity Proposed:

The undersigned applicant agrees to comply with all conditions, restrictions and regulations of the Williams County Engineer's Office; to perform activities as approved in this permit; to refrain from constructing curbs, headwalls, or other such obstructions that could create a hazard to traffic or hamper maintenance operations of the Williams County Engineer, in consideration for receiving this permit.

During the proposed activity within the right of way, we understand and agree that when workers or vehicles are required to be on the paved portion of the highway or shoulder that lights, signs, barricades, flaggers, etc. required to protect the site, workers and the public shall be provided at the applicant's expense in accordance with the Ohio Manual of Uniform Traffic Control Devices.

The applicant shall hold harmless Williams County and its officials from all liability for personal injury, death or property damage losses arising out of the activity described in this permit. Applicant acknowledges the receipt of any policies established by the Williams County Engineer's Office pertaining to the proposed activity as printed on the reverse side of this page and agrees to comply with all of its terms.

We will contact the Williams County Engineer's Office at least 48 hours before this work is started to schedule the appropriate inspections. Call Ohio Utility Protection Service before you dig, 800-362-2764.

PERMIT VALID FOR 45 DAYS FROM ISSUANCE DATE.
